Susquehanna Safe Harbor

Funds will be used for building furnishings and equipment and initial start-up funds for a permanent shelter. The shelter will provide permanent housing, supervision and training for 25 mentally challenged men with the hope that they will become self-sufficient. There will be an area of the building for an overnight winter shelter for additional homeless persons.

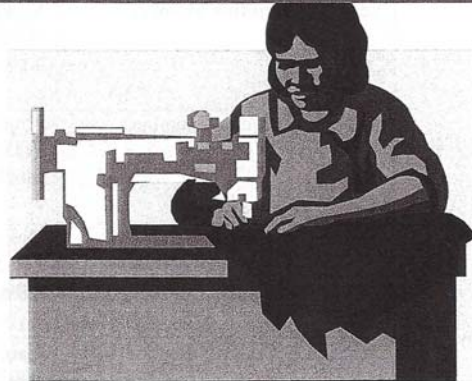

The Harrisburg/Susquehanna Valley region churches and the Christian Churches have worked diligently to launch this program.

Navajo Reservation

The funds will be used to purchase:

- 10 sewing machines
- 3 pellet stoves
- 3 electric water heaters
- 2 refrigerators

The sewing machines will be used to facilitate classes in sewing. The other items will be used to improve living conditions for the women and children of the community. Pastor Norma McCabe is a Navajo and pastor of the Kayenta Presbyterian Church, the outreach of this church provides a wonderful witness of the cause of Christ to those who have the least in this world.
