

Revealing Hope 2017 Spring Regional Connection Gatherings for Partnership and Networking

As we have walked with you and listened to you during the past year, we have heard that living with a posture of hope is not always easy. We have heard a yearning for new insights and new eyesight, rooted in the One who is Life.

In partnership with our 300th Anniversary Year, the Synod of the Trinity has claimed the theme of “Revealing Hope” to be one of our emphases. In light of that, we invite you to join us this spring at our annual *Regional Gatherings for Partnership and Networking*, designed this year to help us refocus a life-walk that reflects hope and resurrection, and meet others with whom we can continue the journey. Morning targeted conversation groups will be offered around topics such as:

Targeted Conversation Topics Being Considered

- Advocacy and the Holy Spirit
- Discovering and Telling Our Story
- Play
- Life-Giving Postures for Small Congregations
- Partnering Faithfully with the Community

After lunch we will share in an all-group worship/conversation experience that will challenge and charge us to consider various answers to the question of how we live faithfully and “responsibly in the personal, family, vocational, political, cultural and social relationships of life.”*

We are people of the resurrection. We claim faith in a risen Christ, and trust in the hope of new life — in this world and the next.

How does that hope affect the way that we experience the world and live in it — the way that we engage it and move on to talk about our lives?

A final list of topics and registration information will be available by mid-March. Please see regional dates on the next page.
