Plenary Speakers

• **Jen Haddox** •

“Part of the Global Body”

Once North Americans were leaders in global Christianity, but the amazing growth of the church elsewhere has left us in a different place. What is our place in the global body of Christ?

• **Gary Neal Hansen** •

“Speak, Listen, Be”

Christians want to pray -- but we feel crummy at it. Explore other Christian traditions and we find ways for everyone to thrive in prayer.

• **Terry Thomas** •

“God’s Word - You will now see whether or not what I say will come true for you”

God’s revealing of himself in the unfolding history of redemption provides insight and encouragement for us along the way. Looking at the account of Israel in the wilderness highlights many key points. We’ll take a look at Numbers 11 to see how God’s word has graciously supplied our need.

• **Jane Bartholomew** •

Music Coordinator/Pianist and resources for music in the small church

• **Matthew Camlin** •

Song Leadership

COMMUNION PREACHER

• **Tim Monroe** •

“It’s Not the Size of the Dog.....”

Matthew 14:22-33 The chief need in our congregations is to position our people to recognize the spiritual face of Jesus amid the troubled waters of our communities. Faithful people are beginning to realize that the mission field just might be in their own backyards.

“Facing into the Tsunami”

A tsunami of cultural change is headed toward all our churches. How do we begin to wrestle with the adaptive challenges we now face?

7. **Greg Hartung**

Greg has over 30 years of experience as Director of Presbyterian Media Mission.

“How does this work?”

How do we blend what works with opportunities presented by social media for bringing people to Christ? Relationship building is the key to doing evangelism in the digital age!

8. **Terry Cunningham**

A Facilitator of Alzheimer’s Groups in WV.

“Surviving Alzheimer’s as a Care Giver”

Caregiving is one of the most difficult jobs one will experience. Review techniques in differing situations that will help you and the care receiver.
