

Sowing the Future: Gifts of Abundance Grants

A Grant in Celebration of The Synod of the Trinity's 300th Anniversary Year

The Synod of the Trinity, 3040 Market Street, Camp Hill, PA 17011-4599 | 717-737-0421 | office@syntrinity.org

The ministry of the Synod of the Trinity is guided in this anniversary year by our ends. Key to the "Sowing the Future" Grants are two of our secondary ends: "Nurturing relationship within the larger church for the purpose of greater witness" and "Encouraging innovation in, between and among presbyteries through the use of human, programmatic and financial resources."

Grant Description

In recognition and honor of our region's continuing participation in world mission, we are offering every presbytery the opportunity for a matching grant of \$3,000 towards a world mission project or partnership of their choice.

Raise your grant by \$1,000 if you partner with another presbytery or use the funds towards something brand new or new within an existing relationship!

Presbyteries are invited to apply for a \$3,000 global mission grant to be used within existing mission partnerships that will:

- a. Help to facilitate partnership ministry projects already underway. We are looking for signs of clear partnership where mutual engagement is evident.
- b. Support ongoing global partnerships for learning, awareness and sharing on the part of all partners. We will be looking for evidence of how this relationship has impacted those who participate in ways that keep it ongoing.

Presbyteries who partner together for world mission projects or who undertake a new partnership or new aspect of a partnership will be eligible for an additional \$1,000 each.

The grant request must come from the presbytery and be used in a way that partnership participation is open to the whole presbytery. A presbytery may request for two different partnerships, but both must be a part of the original grant request and meet the criteria of the grant. This does not change the total dollar amount available to the presbytery.

Grant recipients will be asked to meet with the Synod Communications Staff to be a part of sharing the story of the mission/ministry with the Synod. A presbytery may be asked to tell the story of the work at a Synod gathering or assembly meeting.
