

**Compassionate God: We live in a broken and hurting world**

A world where "hate" can take the form of groups and individuals who hurt others with words and actions

**Come and restore us, Reconciling God.**

Greed, hate, power, jealousy, pride and anger are only a few of the behaviors that separate us from each other and from You.

**Come and renew us, Loving God.**

The good news is that God has the last word in our brokenness, and that word is Jesus.

**The good news is that Jesus is the Light and the Hope of the world**

**Come, Lord Jesus, with your saving love and grace.**

Come to save us from our sin.

**Come to save us from ourselves.**

Come to restore and mend broken lives, families, and communities.

**Come to heal our congregations and make them living examples of your kingdom.**

Come to enable us to reflect your love and grace

**Come to enable us to stand up to hate and incivility**

***Come to fill us with your Spirit, that all we do and say might be done in love..... for you. Amen!!!!***
