Susan Wonderland

I just wanted to update you on the mission report to date for the Presbyterian Women of the Synod of the Trinity. The total collected for 2019 mission project (Inglesia Evangelica Dominicana) calculated in September 2019 was \$12,029.25. We also hosted four Regional Gatherings around the Synod which were very successful. They were built around the scripture of Psalm 46:10 and the theme of Seaside Escape.

Our 2020 mission project will be The Lighthouse (Traditional Housing project from Beaver-Butler Presbytery area. We will also be hosting a Synod Gathering July 9-11, 2020 at Antiochian Village. More details to follow as the promotional materials are prepared.

God Bless
