

Personnel Advisory Team

The Synod of the Trinity
Presbyterian Church (U.S.A.)

The Personnel Advisory Team works with the Synod Executive to keep personnel and salary policies up to date and to participate in direct personnel work with the Synod Staff as requested by the Synod Executive. Any direct concerns, review or negotiations relating to the Synod Executive or Synod Stated Clerk will be dealt with by the Synod Moderator and the Governing Commission. All other staff relate to the Executive and through him/her to the Personnel Advisory Team as appropriate.

Ordinarily this task group will gather for a once-a-year face-to-face meeting and will engage using WebEx for other meetings. Where appropriate, the work of this task group is subject to the Book of Order, the Policy Governance Manual and other related Synod materials.
