

# Synod Assembly Offering

## Presbyterian Disaster Assistance

Presbyterian Disaster Assistance is continuing to deliver aid to those impacted by Hurricane Ian. This storm delivered catastrophic destruction and widespread power outages that are still being felt weeks following the hurricane's landfall. PDA will continue to work with Presbyterian leadership as they respond to Hurricane Ian and remain engaged in the recovery from the hurricane season. PDA is providing emotional and spiritual care and long-term recovery to address unmet needs.

### **PRESBYTERIAN DISASTER ASSISTANCE**

**OUT OF CHAOS, HOPE**

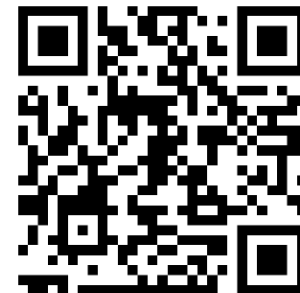

Through these natural disasters, PDA has been asking people to help fill the G.A.P. By “Giving,” “Acting” and “Praying,” people can make a difference in those lives that have been touched by these storms. By contributing

to this year's Synod Assembly offering, funds will be sent directly to PDA to assist in the recovery and cleanup efforts where these storms have caused widespread devastation.
