Synod of the **Being** More Together

Grant Description

The theology of peacemaking, as defined by the Presbyterian Mission Agency Peacemaking Program, informs us that this emphasis is central to our faith, holistic in nature and connected with justice. Peacemaking can take many turns. In its bravest sense, Peacemaking:

- a. Restores relationships in a broken world.
- b. Eliminates behavior that is harmful to the image of God in humanity and the handprint of God in creation.
- c. Models the harmony and wholeness of God.

Peacemaking activity relating to the following regional issues will be considered for grants at this time:

Hate speech and behavior, racism, rise of incivility in our culture, gun violence, refugee and immigration issues

Based on budget and need, Peacemaking Grants of up to \$1,500 may be awarded to the applicant. Preference will be given to new projects that address peacemaking initiatives related to the justice issues identified above. This grant is funded primarily from the PC(USA) Peace and Global Witness Offering.

An entity may only apply for one Synod grant per calendar year. Please choose carefully as you consider your application.
