NARRATIVE

This can be as long as you would like and no shorter than 2 pages.

A. Statement of Need or Problem

- A discussion of the nature and scope of the problem in your specific community (not a discussion of the global problem) with supporting evidence; the needs of groups or individuals the project will target.
- Share the specifics of what makes your proposed solution unique and dependent upon successful ecumenical partnership(s).

- How will your work address the needs described.

This section is where you may include tables, charts, diagrams and other visual information that supports your written text.

B. Goal, Objectives, Intended Outcomes

Goal - a broad statement of the intent or overall outcome of the program, conceptual and more abstract than the objectives.

Objectives - concrete, measurable, outcomes that are achievable within your implementation timeframe.

C. Implementation/Plan of Action

Plan of Action - Share the plan of action to be initiated to carry out the objectives. Provide a plan of action for each objective.

Implementation - describe in narrative form of how you plan to implement the plan of action described for each objective. The How, When, Why, and Who should be addressed here. Some find it helpful to include a project timetable of activities, persons responsible, anticipated outcomes, and milestones. This is not required, and it is up to you to determine whether it would be appropriate.

Timeline - please share your overarching timeline for the project, start to finish.

Additional Resources and Commitment - what resources, such as funds, equipment, space and personnel will your church and/or presbytery contribute to the project.

D. Addressing the Secondary End

-Share the ways in which your project specifically addresses End V of the Synod of the Trinity's Secondary Ends.

E. Model for Others

- Will this work potentially provide a model that other congregations and/or presbyteries can put into practice? Why or why not.

F. Conclusion

– why is this work critically important to furthering the Kingdom at this moment in time?

DETAILED BUDGET SPREADSHEET

On a separate page provide a detailed project budget and description of line items as needed. Your project partners contribution(s) if applicable should be included here, as well as the contribution of your own presbytery/congregation. Additionally, your church or presbytery's mailing address must be provided here. In the event that your grant application is funded, the Synod of the Trinity will not send checks to a residential address.

REQUIRED SIGNATURES: The final step in the application is to procure the appropriate signatures. When your application is ready to submit, email it to Elizabeth Connelly at econnelly@syntrinity.org or grants@syntrinity.org and in the body of the email include the name and email of your Stated Clerk of Session, and the name and email of your Executive Presbyter of your presbytery. **A signature from your Stated Clerk of session and Executive Presbyter MUST be provided in order for your grant application to be reviewed and processed.** Please be sure to discuss your application with both of these individuals and seek their endorsement prior to emailing the application to Elizabeth Connelly. Once Elizabeth receives your email, she will then send a signature page through DocuSign to you, your Stated Clerk of Session, and your Executive Presbyter.

Once signatures have been received from all three of you, you will be notified that your application has been fully submitted.
